EBBITS THINKS HIS SQUAD HAS CHANCE TO WIN

Prospects Are as Bright as Those of Any Team in the National Says Owner of Dodgers.

By Charles H. Ebbets.
(President of the Brooklyn Nationals)
The pennant prospects of my team are as bright as those of any of the clubs that are mixed in the thrilling National league battle—but no brighter. It's a fight such as baseball never has seen before, and although I have the absolute confidence in my team it would be foolhardy for me to claim the pennant now.

Baseball is an uncertain game—and this year, above all others, is a year of uncertainty. In this battle, where at least five teams seem almost evenly matched, the result may remain in doubt until the last week of the season.

The Brooklyn team is a young team; practically a new team. Of the 21 men under contract, nine are wearing Brooklyn uniforms for the first time, six of these, in fact, never had major league experience prior to this season. Of the remaining 12 five have been under contract to Brooklyn for two seasons and the seven others for three years or more.

The team, as it is now constituted, is a smooth working fast traveling machine. But the welding together took time—and the experiments cost us many games during the early part of the season. We got away poorly and didn't really start until July 1, by which time Mr. Robinson had secured the winning combination.

Since July 1 the Brooklyn have greatly improved in all departments, and making a wonderful spurt from last place to second. It has been said they are traveling beyond their real speed, but this I believe is not true; on the contrary, had the boys batted as they did in 1913 and 1914, they would be so far ahead at this time that it would be impossible to overtake them.

The boys deserve great credit for the good work done to date. The team is a well balanced team. It has an exceptionally strong pitching staff; it is ambitious, has confidence in its ability, it works hard, it is fighting and hustling all the time.

Wherever the team finishes I shall be satisfied with the knowledge that they have done their best.

The total mechanical power in the United States is estimated at 120,000,000 horse-power.

Travis to Quit Title Game

DETROIT, Aug. 30.—Fans at the Detroit-New York baseball game failed to take to an added attraction in the way of driving golf balls by experts here for the national golf championship. When Guimet, Marston and Guilford drove the white pellets over the center field fence in easy drives the crowd yelled "play ball" and gave the other negative demonstrations. T. Raymond Cobb was invited to participate in the golf drive but when he saw Guilford's ball going toward Canadian territory he declined the issue.

LOCAL BOWLERS LOOK FOR BIG ORGANIZATION

Expect 20 Leagues to Become Members of New Association—Knights of Columbus Enter.

Every indication points to South Bend bowlers having one of the best and largest organizations in the country. At a meeting of the South Bend Bowling association held last Wednesday nearly every league in the city was represented. There will be about 20 leagues in operation throughout the city when the season gets into its proper swing, which is some bowling spirit and interest.

One of the latest additions to the local bowling institution is the entrance of the Knights of Columbus who are to operate a four club league at the Orpheum alleys this winter, and also have a team in the City league, operating at that establishment, which very likely will mean that the newcomers will also have a team in the tournament of the American Bowling congress next March.

This is not an innovation for the Knights of Columbus, as representatives from that organization have been very prominent at the big classic of recent years. Last year it was the Barry-Kettler team which carried off the honors at the national tournament held at Peoria, they being one of three teams to surpass the score of the Bucknalls, the latter eventually finishing in fourth place.

GOOD GOLF IS EXPECTED

Players at Detroit Say Conditions Are Ideal.

DETROIT, Aug. 30.—Cloudy and threatening weather prevailed here this morning, but the golfers in the national amateur tournament were out early and pronounced conditions ideal for good golf after Sunday's showers.

Tom Sherman and Joe Bole were the first pair of the 73 contenders to tee off this morning on the 36-hole qualifying round which will determine just which 32 will survive to go into the match play which begins Tuesday.

Chick Evans and Jerry Travers were made 74 Sunday, that being the best for the day.

"PLAY BALL" YELLED FANS

Detroit Bugs Not Interested in Golf Drives.

Two Months Ago They Saw Two Sure Winners But Now Their Faint Hope is One Team Will Cop.

Two months ago the Chicago fans were sure that they'd have both entries in the world series battles. A month ago decided they'd be satisfied with one. But now—well, a sudden depression has settled upon Chicago's fandom.

Joe McCahey is 27 years old, he's been a jockey for 10 years, and yet he seems to be a more wonderful rider than earlier in his youth. And he weighs only 95 pounds.

McCahey is the Honus Wagner of the turf game. The average life of a jockey ranges from five to 10 years, yet here is McCahey, after 10 years of service, performing in better style than at any time in his career. If he maintains until the end of the season the winning average so far established, he will bring home for his employers more than he did in 1914 when his \$24 mounts won \$121,649.

MIKE SURE HE'LL WIN

Tells Fans He Will Dispose of Packey in Eight Rounds.

CHICAGO, Aug. 30.—Mike Gibbons passed through Chicago yesterday on his way to New York and chilled the already congealing atmosphere by nonchalantly remarking that he would dispose of Packey McFarland in eight rounds in their coming scheduled 10-round contest at the New York arena. His remarks, however, failed to scare McFarland, who had already left for New York.

BAKER IS STILL THERE

Hitting Wins Delaware County Penant For Upland.

MEDIA, Pa., Aug. 30.—Frank Baker, "home run king," again proved his sterling worth as a batsman, when his terrific clouting won the game for Upland and clinched the championship of the Delaware county league. He drove the ball over the fence for a homer in yesterday's game with Media and also shot a double that sent in two runs.

GIRL SETS NEW RECORD

St. Louis Miss Swims Two Miles in Quick Time.

ST. LOUIS, Mo., Aug. 30.—Grace Stewart, a 16-year-old girl, broke the two-mile swimming record for the county used in the annual swim for women under the auspices of the Western Rowing club, by going the distance in 19:53. Her time was 12 seconds better than the previous record.

SHERIDAN, Ind.—Atlas Bailey, a young unmarried man of this place, while assisting an advance agent for a coming chautauqua in striding advertising flags across a business street, fell from the second story of L. E. Heats' jewelry store to the asphalt sidewalk below and landed on his head. It is believed he can not recover.
